

KRUISER

4P ELEMENT

ELECTRIC GOLF CART

Crafted with the enjoyment and ease of our users in mind, our carts offer a tranquil, environmentally conscious mode of transportation suitable for a variety of settings.

KEY FEATURES

Rapid Charge for Continuous Adventure

Recharge your electric golf cart swiftly with a 6.5-hour charge time using a conventional 120V outlet, ensuring it's always ready when you are.

Guaranteed Smooth-Sailing

With a MacPherson strut independent suspension at the front and a swing arm straight axle at the rear, our carts ensure a seamless and relaxed journey across all terrain types.

Spacious and Comfortable Seating

This 4-seater electric golf carts is a comfortable experience, ensuring enough legroom and headroom to accommodate your companions in style.
